

Executive summary

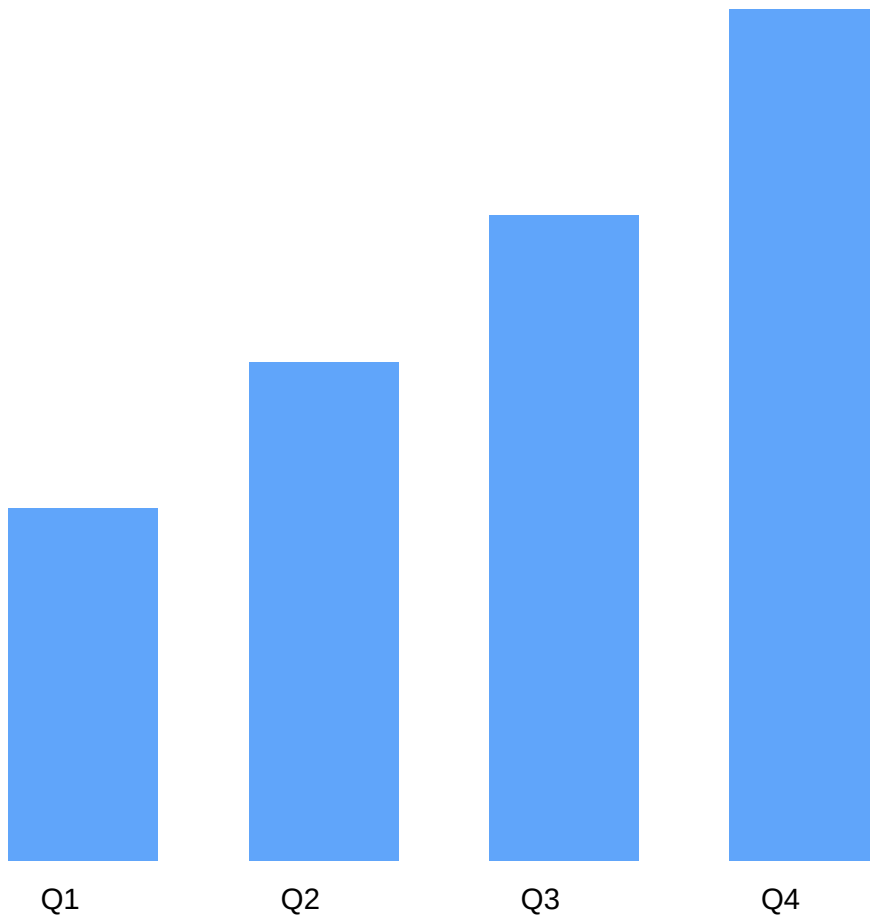

Revenue grew steadily across all regions this quarter, driven by strong demand for the new product line and improved retention among existing customers. Operating costs were held flat while headcount increased by four percent.

Results by region

Region	Q1	Q2	Change
North	120	138	+15%
South	98	104	+6%
East	143	151	+5%
West	87	99	+14%
